Level Test

**B**

This unique series of tests provides an opportunity for the horse and/or rider new to dressage to demonstrate elementary skills. The tests have been designed to encourage correct performance and to prepare the horse for the transition to the USEF tests.

**Instruction:**

- All trot work to be ridden rising. Transitions from walk to trot and trot to walk may be performed through sitting trot with the objective of performing a smooth transition.
- Turns from center line to long side and long side to center line should be ridden as a half circle, touching the track at a point midway between the center line and the corner, and vice versa.

**Comment:**

Horses should be ridden on a light but steady contact, with the exception of the free walk in which the horse is allowed complete freedom to stretch neck forward and downward.
